Petition to Withdraw Holding of Abandonment dated October 3, 2006

Applicants respectfully request that the Commissioner exercise his authority and withdraw the holding of abandonment, acknowledge that the Declaration has been filed, and accordingly proceed to issue the filing receipt.

CONDITIONAL PETITION TO REVIVE

If the above request for withdrawal of abandonment is denied, then the undersigned hereby files a petition to revive under 37 CFR 1.155(c) and 1.1316(c).

The entire delay in filing the required reply from the due date of the required reply until the filing of a grantable petition was unintentional.

If the petition to withdraw the holding of abandonment is not granted, and the conditional petition is necessary, please charge the required petition fee to deposit account no. 14-1263.

Although applicant has already filed a Response to the Notice to File Missing Requirements over one (1) year ago, this document is again submitted and this present response is to be considered as the Response to Notice of Missing Requirements. The \$130 fee is authorized to be charged to the above deposit account.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punished by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
